**6:00 PM Meeting called to order.**

The Board discussed options to lower costs for the renovation project with Chris Snowdeal (Haley Ward), Blane & Galen Casey (Blane Casey Construction) and Todd Hagar (Atlantic Recycle Equipment).

Details of the renovation project discussed were as follows:

- Rebuilding existing retaining wall and building.
- Necessity to move the hill away from the road and to stay in operation during the construction.
- Move forward with new site plan without the new building over compactors.
- Only having weather tight control room.
- Project budget.
- Hydraulic doors for containers.
- Scale foundation and specs.
- Paving commercial and residential areas.
- Changes causing any issues with the current permits for Fire Marshall, DEP and the Thomaston Code Office/Planning Board.
